Enhancing lives...

The Ontario Brain Injury Association Certificate Training Program is presented in collaboration with Brock University.

OBIA Certificate Training Program

The Ontario Brain Injury Association, in conjunction with Brock University, has developed a Certificate Training Program to provide professionals with the tools and knowledge to assist clients with recovery and function in everyday life, following acquired brain injury.

Brock Certificate Training Programs The program is currently composed of two separate levels and feature guest faculty. Both levels are directed primarily at personnel working in community and home based rehabilitation programs that serve individuals with acquired brain injury.

- **Children and Youth with Acquired Brain Injury (Level 1)**
- **Neurorehabilitation: Assisting Recovery and Function in Everyday Life Following Brain Injury (Level 1)**
- **Neurobehavioural Disorders: Their Origin, Nature and Rehabilitation (Level 2)**
- **Neuropsychological Assessments: Beyond Testing (Level 2)**
- **Cognitive Interventions for Adults with Acquired Brain Injury (Level 2)**
- **Advanced Brain Injury Rehabilitation (Level 2)**
