Live Streaming Online OBIA/Brock University Certificate Course

Mental Health, Addictions and Brain Injury (Level 2)
Prerequisite Required: Neurorehabilitation: Assisting Recovery & Function in Everyday Life Following Brain Injury
NO EXCEPTIONS

June 29-30, 2021

During COVID19, OBIA remains committed to provide training for individual working with people with brain injuries. This certificate course will now be accessible through a live online virtual classroom and will be interactive.

This Level Two course is designed to increase your understanding of the relationship between traumatic brain injury, substance misuse and mental health challenges, and to assist you in developing a greater appreciation of the factors which make brain injury rehabilitation more challenging when a co-morbid disorder is present.

Objectives:

• To learn about the impact of COVID-19 on Mental Health, Addictions and Brain Injury
• To extend your knowledge of brain function with respect to addictive behaviours and the brain’s response to trauma.

• To expand your appreciation of the pre-injury and post-injury influences on addictive behaviour and mental health.
• To expand your range of knowledge on how traumatic brain injury impacts substance abuse and mental health treatment and how substance misuse impacts recovery from injury.

DETAILS
Location: Online via ZOOM
Date: June 29-30, 2021
Professors: Dawn Good, PhD, CPsych
Carolyn Lemsky, PhD, CPsych ABPP-CN
